## HEALTH INFORMATION 2021-22 UPDATE #5

### IMPORTANT HEALTH INFORMATION 2021-22 Update #5 - January 2, 2022

We hope you are enjoying relaxing with family and friends and recharging for the new year ahead. Throughout the Winter Break, we have continued to consult with the Florida Department of Health-Collier (DOH-Collier) about COVID-19 conditions in Collier County. During the last month with increased gatherings and travel, there has been an increase in transmission relative to the Omicron strain. We continue to maintain protocols to keep our students and staff safe and will adjust as necessary. Please remember, students who are sick should stay home and not return to school until they are symptom free.

We look forward to welcoming back students and staff on Tuesday, January 4, for a strong finish to Quarter 2 and a fresh start to the second semester!
