Si fuere necesario, la comida de refrigerio debe ser provista, monitoreada y reemplazada por los padres.

PLANES DE EMERGENCIA:

- En caso de un cierre total, los medicamentos guardados en la clínica no estarán disponibles para su hijo. Le sugerimos que hable sobre un plan con el médico de su hijo y la enfermera de la escuela. Favor de anotar cualquier instrucción especial para que sea incluido en el Plan de Acción de Emergencia más abajo.
- En caso de evacuación, los medicamentos de emergencia se llevarán al área tenedora, cuando sea posible.

Comprendo que el proveedor de servicio médico de mi hijo(a) debe completar el **Plan de Manejo Médico de la Diabetes**, ordenando el cuidado específico que se debe llevar acabo en la escuela e indicando que procedimientos puede o no puede realizar el estudiante por sí mismo.

Entiendo que el Plan de Acción de Emergencia se compartirá con el personal escolar apropiado que tenga la necesidad de saber sobre el problema de salud de mi hijo(a). Además, comprendo que la escuela no se hace responsable por el daño o la pérdida de equipos utilizados al proveer los tratamientos y procedimientos médicos recetados.

Yo autorizo que se comuniquen con el proveedor de cuidado de salud de mi hijo(a) para intercambiar información sobre su estado de salud. He revisado, y estoy en acuerdo con, la información incluida en este historial médico.

Parent/Legal Guardian Permission

The following section is to be completed by the parent/legal guardian:

I hereby grant permission to the Principal or his/her designee of _____ school to assist in the administration of the care/treatment prescribed in this order for my child while in school, while participating in official school activities such as field trips, and during after-school programs operated by Collier County Public Schools. (F.S. 1006.062). **It is my responsibility to notify the school if and when these orders change. A new written Authorization for Diabetes Care/Treatment will be needed.** I understand that the law provides there shall be no liability for civil damages as a result of the administration of such care/treatment where the person administering such care/treatment acts as an ordinarily prudent person would under the same or similar circumstances. If my child is authorized to carry diabetic supplies or equipment, I indemnify the school district, county health department and any public-private partner, and the employees and volunteers of those organizations, from any and all liability with respect to my child's use of such supplies and equipment.

1. I hereby give permission for my child's doctor or other authorized health care practitioner to be contacted for information regarding my child's illness, health or medical condition that may require nursing care or treatment.
2. I hereby authorize the school nurse or trained diabetes personnel to perform nursing care or treatments that may be prescribed by my child's authorized health care provider for the school day or while my child is participating in school related activities, including administration of glucagon.
3. I understand and I agree that I am responsible for providing the equipment, supplies, snacks, and/or prescribed medications to the school that are required to perform these services.
4. I understand that all medications, materials and supplies not picked up at the end of the school year, or when medication or materials have an expired "discard after date" or a manufacturer's expiration date that has passed will be disposed of per current District protocol, following verbal and/or written notification to the parent/guardian.
5. This Authorization is effective as of the date it is received at the child's school and it supersedes all previous authorizations or orders. This Authorization shall remain in effect until changed by the physician.
6. This Authorization must be renewed annually.
