May 23, 2014

TO: School Board Members
Collier County Public Schools

FROM: Dr. Kamela Patton, Superintendent
Collier County Public Schools

SUBJECT: FCAT Assessment Results for Grade 3

Enclosed are the Grade 3 FCAT 2.0 Next Generation Sunshine State Standards results.

Note: The Grade 3 FCAT 2.0 results reported here are for all students tested. The results reported in this memorandum will be different from school grading data, as school grading does not include all students tested.

Table 1 shows the Grade 3 FCAT 2.0 District and State mean scores, the percentage of students scoring at Level 3 or higher, and the percentage of students scoring at Level 1 in both reading and math.

Compared to last year, the District maintained the same mean scores in reading and math, and the percentage of students scoring at Level 3 or higher in math improved by 1 point, while the state percentage remained the same.

Tables 2 through 4 show the school level results based on mean scores, the percentage of students scoring at Level 3 or higher, and the percentage of students scoring at Level 1.

Based on the percentage of students scoring at Level 3 or higher, 17 schools improved in reading, and 17 schools improved in math. In addition, 16 schools decreased in the percentage of students scoring at Level 1 in reading.
