

Canvas Grading Periods

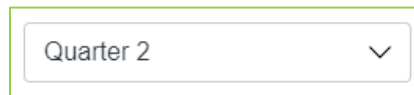

Canvas courses now have the ability to display assignments and assignment groups by grading periods, which are similar to quarters. This feature keeps grades organized. Placement within a grading period is dependent on the assignment due date. To view a short video walking through how to utilize grading periods, click [here](#).

Canvas Grades Page

To view the Canvas Grades Page by grading periods, click **View** then click **Filters**. Select **Grading Periods**.

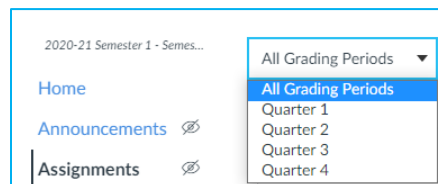

A dropdown will appear, defaulted to the current Quarter.

When a Quarter is selected, only assignments due in the selected quarter will be visible. To view all assignments, select **All Grading Periods**.

Canvas Assignments Page

Assignment Groups can also be filtered by Grading Periods. Use the dropdown to view assignments within their respective Assignment Group by a chosen quarter.

The Canvas gradebook is a record keeping tool; FOCUS is the official gradebook of record.
