### **30 and 60 Point Comprehensive Courses**

- Choose either the 30 point or 60 point course
- Four tobacco prevention units: history, science, modern issues, and prevention
- Must submit and teach a tobacco prevention lesson
- Sponsored by the Florida Department of Health  
(30 or 60 point course can be taken concurrently with 10 point ENDS course.)

### **10 Point ENDS (Vaping) Course**

- 10 hour course focused on ENDS prevention.
- ENDS prevention units: history, devices, school use, marketing, chemicals, hazardous effects
- Must submit and teach a tobacco prevention lesson
- Sponsored by the Florida Department of Education  
(Can be taken concurrently with either the 30 or 60 point course)

- No cost to educators, schools, or districts
- Open to all public, charter, or private school educators throughout Florida
- Convenient 24/7 online access
- Updated courses with new interactivity, features, and multimedia
- Tobacco Prevention Staff available weekdays from 7:00 AM to 3:30 PM (EST)
