

LELY TROJAN ALL SPORTS BOOSTER CLUB

The Lely Trojan All Sports Booster Club is a nonprofit organization of parents, coaches, student-athletes, faculty and community members committed to support and enhance the experience of the student athletes who represent Lely High School.

Our purpose is to provide additional financial support to all sports teams and promote school spirit, sportsmanship and positive parent and community involvement in the Lely High School Athletic programs. This additional financial support includes but is not limited to “wish list” funding for teams, senior athlete recognition, training seminars and conventions for coaches, equipment and uniforms for students with need, sports summer camp opportunities, scholarships for graduating senior athletes, and other miscellaneous support for all sports teams.

All funding is raised through our yearly membership fees, sale of merchandise and several fundraisers held throughout the year. Funds will be distributed under the direction of our Activities Director and our Board of Directors.

We encourage everyone to support the Lely High School Athletic program by joining the All Sports Booster Club. We have more than 20 Varsity Teams at Lely as well as several JV and Freshman teams which all need your support. We welcome anyone interested in supporting Lely Athletics to attend our monthly meetings; you need not be a parent of a Lely Student to get involved. Please join us as we strive to maintain the history and tradition of excellence that exemplifies the Lely High School Athletic Program.
