Entering Summer School Eligibility Codes

From the Students Demographics/Summer School screen:

1. Click the drop down in the Eligible field to select the summer school eligibility code.
2. Click Save.

Note: The Summer School Site field will default based on the eligibility code selected and the students home address. You must click SAVE in order for the field to auto-populate.

The screenshot shows a form titled "Summer School". It has two dropdown menus: "Eligible" and "Parent Status". The "Eligible" dropdown is highlighted with a red box. Below it is a "Summer School Site" field, which is currently blank and has a red arrow pointing to it. There are asterisks "*****" below the "Summer School Site" field.

Note: The Summer School Site field is read only. Consult with the Summer School Office about any discrepancies.

- You can add students to Elementary Intersession (grades 2-5)
- You can only change students in Elementary Intersession and Fresh Start
 - You can remove students from Fresh Start
- Do not change the Eligible field for ESY
 - Only switch a student from ESY to Elementary Intersession with admin approval

DO NOT SELECT ANY ADDITIONAL FIELDS UNLESS YOU ARE REFERENCING A FORM RETURNED BY THE PARENT.

Entering Parent Confirmation Codes

As registration forms are returned to the home school indicating whether the student will or will not attend summer school, you will need to enter the information in FOCUS.

The screenshot shows the "Parent Status" dropdown menu. The dropdown is open, showing a search filter and a list of options: "Parent Confirmation", "Parent Declined", "Parent Letter Not Returned", and "Parent Said Yes Then No".

Parent Confirmed Attendance

Form was distributed/returned and parent confirmed attendance.

From the Students Demographics/Summer School screen:

1. Click the drop-down beside Parent Status and Select Parent Confirmation.
2. Click Save.

The screenshot shows the "Summer School" form. The "Parent Status" dropdown menu is now set to "Parent Confirmation". The "Eligible" dropdown is also visible.

Entering Transportation Eligibility

From the Students Demographics/Summer School screen:

1. Click the check box beside Transportation if the parent has requested transportation. (checked = YES; unchecked = NO)
2. Click Save.

The screenshot shows a form with two main elements: a checkbox labeled 'Transportation Requested' which is currently unchecked, and a dropdown menu labeled 'After School Programs' which is currently empty. The 'Transportation Requested' checkbox is highlighted with a red rectangular border.

Note: You must check the box beside Transportation, for bus routes to be created.

Selecting After School Program

From the Students Demographics/Summer School screen:

1. Click the drop-down beside After School Programs.
Note: Pay attention to the approved location for the program.
2. Click Save.

The screenshot shows a form with two main elements: a checkbox labeled 'Transportation Requested' which is currently unchecked, and a dropdown menu labeled 'After School Programs' which is currently empty. The 'After School Programs' dropdown menu is highlighted with a red rectangular border.

Generating the Summer School Eligibility Report

As you enter summer school information you may want to generate a report to see where you are with entering data such as student eligibility, parent confirmation, and transportation requests.

The report will list all students eligible for the following programs:

- Elementary Intersession (Grades PK-5)
- Fresh Start
- Extended School Year (ESY)
- *Please note: Migrant and VPK eligible students will be identified at a later date*

To access the Summer School Report:

1. Click the Reports tab.
2. Select District Reports.
3. Select the Summer School folder.
4. Locate the **SS - ALL FIELDS - by School** report.
5. Click the green Run button to the right of the report.
6. The report will display.

The screenshot shows a report titled 'SS - ALL FIELDS - by School'. The table has the following columns: student_id, last_name, first_name, gr_hl, gender, bps, gr, ell, soc, exc, enrolled_school, zoned_school, oic, parent_contact_language, program, Parent_status, age0901, transportation, pm_drop_off_site, and after_school_pro. The table contains three rows of data:
