This batch process produces a report showing a student's up-to-date progress toward graduation as it relates to the State Subject Areas requirements. The report presents the same information as the S522-Graduation Status panel. It shows the number of credits required, attempted, earned, over, short and currently in progress in subject areas.

REQUEST DESCRIPTION:

This request will produce a report that contains a graduation status sheet for every active 12th grade student at school 1234. As indicated on the card, the Regular 2009 school year will be used to find courses in progress.

Note: The same graduation status sheet can be obtained for a single student by pressing the F2 key on the S522 panel.
