SL302 – Students With Next Year Reassignments - from L100

REPORT DESCRIPTION:

This batch submission will create a report that lists students with their next year school information. This report can be run before or after projections. If run before projections are made, it will not reflect any out-of-zone assignments. Also, it will list only your current students and the school they will attend next year.

REQUEST DESCRIPTION:

This card will produce a list of ESE students who have a School Year 2010 (next school year) Admit record on the S320 – Admissions panel for school 1234. The report will be sorted by the students' current school of enrollment and current grade level.

Note: If projections have not yet been made and there are no admit records on the S320 – Admissions panel, use the current school year with 'E' under the A/E field and the next school year under GeoYr.

SL306 – Migrant Roster Report – from L100

REPORT DESCRIPTION:

This batch submission will produce a roster of Migrant students. The report can be limited to ESE students only or LEP students only. It can be limited to specific Migrant codes or specific or generic COE numbers.

REQUEST DESCRIPTION:

This request card will produce a report listing all active LEP students at school 1234 whose Migrant Status Term code is not Z or blank.

```

SL320 – Migrant Counts (tally only) – from L100

REPORT DESCRIPTION:

This batch submission will create a report that shows tallies, by grade level, of migrant students. The tallies are broken down by Migrant Status Term code and grade level.

Note: If being submitted by a District Level user, the report can be run for the district.

REQUEST DESCRIPTION:

This card will produce a report that gives Migrant Status Term code totals, by grade level, for school 1234 for the regular 2009 school year.

SL330 – Students With Language Other Than English – from L100

REPORT DESCRIPTION:

This batch process is used to produce a report that lists students who have any code other than EN (English) on the S313 - Demographics panel in the PI (Primary Language), 1I (1st Language) and/or Hm (Home Language) fields.

REQUEST DESCRIPTION:

This request card will produce a list of active LF students at school 1234 who have a code of anything other than EN in Primary Language, 1st Language or Home Language on the S313 - Demographics panel. The report will sort by Primary Language.

Note: There are 3 lines setup on this card - one line for each field. If all three fields were marked with a 'Y' on the same line, a student would have to have a code other than EN in all 3 fields on S313 to appear on the report.

SL336 – ESE Students With Next Year Information – from L100

REPORT DESCRIPTION:

This batch submission will create a report that list ESE students with their Next Year Information. This information will include ESE program information, current school and grade, current address school, next school and grade and next address school. The Matrix code is also printed on the report.

REQUEST DESCRIPTION:

This card will create a report that shows next year information for all current ESE students at school 1234. The A/P field was left blank so all programs will print, not just the student's Primary ESE program. This report will be sorted by next year admit school/ESE program/address school/student name.

SL701 – LEP Follow Up Form – from L100

REPORT DESCRIPTION:

This batch submission is used to create LEP Follow Up Forms for students who have been dismissed from the Limited English Proficiency program. To be selected to print the student must have a LEP record on the S706 panel and must have been exited from the program.

Note: You can print a single student by entering the student number on the card or using the F6 Print Key on the S706 – Limited English panel.

REQUEST DESCRIPTION:

This card will create LEP Follow Up Forms for all active 6th grade students at school 1234 who have been exited from the Limited English Proficiency program.

SL707 – ESE Data Sheet – from S704/F6

REPORT DESCRIPTION:

This batch process will produce a ESE Data Sheet. It is created by going to the S702 – Program Summary panel and completing the following steps:

- 1 – Enter a student number and press <enter>
- 2 – Arrow to any line that contains an ESE Program Record and press F11
- 3 – The program detail panel will display, press F6

REQUEST DESCRIPTION:

There is no request card for this batch submission. It is created by pressing the F6 key from the S704 – Exceptional Student panel.

Note: There is a new field TA: that will print the test accommodation codes on the ESE Data Sheet.

SL710 – ESOL Tutor Allocations – from L100

REPORT DESCRIPTION:

This batch submission is used to help determine the number of ESOL Tutors to be assigned to each school. It can be run by an individual school or for the entire district if the user has district level security.

REQUEST DESCRIPTION:

This card will produce a report for school 1234. The report will be broken down by primary language.

Note: All fields on the card are required and must be filled in even if running for a school which only has elementary, middle or high school students.

```

SL714 – ESE Information Report – from L100

REPORT DESCRIPTION:

This batch submission creates a report that lists ESE students and shows their ESE information. In 2010 new fields were added: BDI (Battelle Developmental Inventory), Primary Exceptionality, and Birth Date (after a certain date). There are help screens (F1) to give clear use of these new fields. Four new sorts were also added

REQUEST DESCRIPTION:

This card will create a report that lists ESE students at school 1234 who have been marked on the S704 – Exceptional panel as needing Nursing Services. The card has been setup with Ns = Y.

SL717 – Print ESE Eligibility Dates from L100

REPORT DESCRIPTION:

This district program will produce a report with totals by month for students who have an ESE eligibility date between a specific date range. You can ask for student totals or detail with student information – name, number, school, grade, enrollment date, withdrawal date, exceptional program, eligibility date, primary exceptionality, and other exceptionalities.

NOTE: This is a district report only, not available for schools.

REQUEST DESCRIPTION:

This control card will produce a report that will give the total number of students by school and district who have an eligibility date for an ESE program between the date range of 08/01/2011 to 10/31/2011.

```

SL720 – ESOL LY Students Eligible for State Assessment Exemption - from L100

REPORT DESCRIPTION:

This batch submission will create a report that lists LEP students who should be either:
Included for state assessment exemption if in the program less than 12 months/1 day

OR

Included for EIEP funds eligibility if in the program less than 24 months/1 day

Each list must be run separately.

REQUEST DESCRIPTION:

This batch submission card will produce a list of active LEP students at school 1234 who, on October 12, will have been in the ESOL program for a time period that is less than 12 months and 1 day (enrolled) and are exempt for state assessment.

SL726 – ESE Program Comparison Report – from L100

REPORT DESCRIPTION:

This batch submission is used to compare data on ESE students for specified ESE program(s) for up to 3 years. The data is broken down by sex, race and grade levels. It also totals by Elementary, Middle and High school. The report will include discipline totals for OSS and ISS and totals for Membership days and days absent.

REQUEST DESCRIPTION:

This card will produce a report that will give data for school years 2009, 2009 and 2007 for ESE programs 215Q, 210J, and 209I.

```
