The School Recognition (SCHREC) fund will also not increase this year due to A+ funds not needing to be held in there. The Teacher Supply fund (TLEADS) is currently at \$3,001.10, and this fund will continue to gain additional money each year. PME employees can present SAC with proposals to use these funds on PME students.</p> <p>2. Dictionary Day at PME Each year all 3rd graders in the district are presented with dictionaries. Pre-K Stars on Tour & Kinder Round up Reach out to anyone you know who has children entering Pre-K and Kindergarten for the 24/25 School Year. Invitations will also go out to local preschools inviting them to the event.</p> <p>6. Boundary Modifications The future boundary modifications are out on the district and PME sites. Please send your feedback to CCPS. The link is available on the CCPS website and the PME Pelican Scoop, that is sent to all families. The district is taking your opinions into consideration. The main reasons for the boundary modifications are the capacity of Laurel Oak Elementary and the 2 new elementary schools that have been planned.</p> <p>7. CCPS Focus group- Strategic Plan for 2025-2029 Our SAC president attended a CCPS focus group for the CCPS Strategic Plan for 2025-2029. She had a positive experience.
