Proposals for Material A proposal for materials was made by Julie Bolock for copy paper. The proposal states 55 instructional employees (classroom teachers, support teachers, counselor, and reading coach) will receive 1 case of paper, at the cost of \$40.99 per case. The total for all 55 cases is approximately \$2,254.45. This request for materials would come out of the TLEADS portion of the budget. These funds come from any “leftover” money instructional staff did not spend from their classroom supply assistance from the state. This classroom supply assistance ranges from \$250.00- \$295.00 each year. All leftover funds go into this account. SAC approved the material request with a vote from Dr. Stalek and seconded by Mrs. Canglin.</p> <p>6.
